

Eglinton Beach Primary School – Online Agreement Forms

Dear Families,

School and Department of Education guidelines and policies are designed to ensure all parents/carers are informed and have given permission for online use services. In order for our students to begin online use, can you please sign these forms as soon as possible and return them to the front office.

In this pack you will find:

Online Services Acceptable Use Agreement Kindergarten – Year Two OR Year Three - Six

This agreement outlines the school's responsibility to explicitly teach students about safe and responsible online behaviours. We appreciate parent/carer support with the messages outlined in this agreement. Please ensure Year Three – Six children also sign.

Students Online in Public Schools Policy

This policy outlines the school's responsibilities to provide online services to students only for learning related activities. This does not need to be signed and returned.

Student Mobile Phone and Smart Watch Agreement

We are asking families of all year levels to sign this agreement, even if it is not applicable for their child yet. This way, once your child is old enough to bring in their mobile phone or smart watch, you know the expectations around this and that all the paperwork has been completed already.

Permission to Publish Student Images and Work for School Purposes

This permission form outlines your choices in regard to the school use of photos of your child and/or your child's work. Permission and more information can be accessed via the [QR code below](#).

Online Third Party Services Agreement

This agreement lists the iPad apps and websites we may use across the school. Please have a read and sign your consent via the Forms document linked to the below [QR code](#). If you have any questions now or in the future, or would like to change your permissions, please email or call the school on 08 6206 5250.

Please be aware you must complete all forms including the online forms for **each child** you have enrolled at the school.
